

Becoming a Taknology reseller has many benefits, including access to products from our many vendors. Registered resellers can check inventory and pricing through our website. We also have a dedicated sales team to help you find the right product for your customers.

As a registered reseller you also gain access to our demonstration facilities where you'll find some of the latest technology in digital imaging. You can use our demonstration facilities to learn about the latest products or even demo them for your customers.

### **To Apply**

Download the application forms ( PDF format ), complete and Fax to your nearest Taknology location. Taknology representative will contact Reseller for registration confirmation. Therefore, valid information must be provided.

To view PDF format files, install the most up to date [Adobe Acrobat Reader](#) , which can be downloaded for free on the Internet.
